Effective: January 29, 2024

The following color guidelines is approved for Vintage Trace Circle homes in the painting of exterior house body color and exterior house trim and door colors. The Sherwin-Williams Fan-Deck is to be used.

**FOR HOUSE BODY COLOR:** See the exact list on the following pages. However, primarily, the first three paint color chips in the category 'Neutrals' are acceptable color selections. Excluded are the sleeves, #251, 252, and #253. Added are the following: SW#7008 Alabaster, #6385 Dover White, #7551 Greek Villa and #7636 Original White.

**FOR TRIM AND DOOR COLOR:** Any color in the "Neutrals" sleeve are acceptable. In addition to adding SW#7008 Alabaster, #6385 Dover White, #7551 Greek Villa and #7636 Original White.

There are no restrictions of color combinations of house body, door & trim colors.

Neighboring houses can select identical color combinations.

Existing house color combinations are 'grandfathered' as acceptable color combinations and do not need to be repainted to conform to the current color guidelines. However, upon the need for repainting, an ARC form must be submitted and follow the above guidelines.

When painting the house body, all four walls must be painted the same color.
